Ed-tech game show

Brett Salakas, MLC School
Zeina Chalich, #aussieED

Join this session and experience a fun, new way to end a day of learning. The Ed-Tech game show will pit teams of teachers against each other as they battle to create fun, engaging lessons with a range of Ed-Tech tools to suit a variety of hypothetical circumstances. Audience participation is crucial as teams score points and we battle to find the ACCE Ed-Tech Game Show champions.
