## Invitation to Participate

On behalf of the Organising Committee of the 2018 Annual Scientific Meeting (ASM) for the Australian and New Zealand Society of Geriatric Medicine (ANZSGM), I would like to warmly invite you to participate in our upcoming meeting. This is the premier conference for Geriatric Medicine in Australasia with almost 600 delegates attending the 2016 meeting in Cairns. The 2018 meeting will be held from 27-29 June at the newly redesigned International Convention Centre in the popular Darling Harbour precinct.

Our meeting theme, "Cutting edge: Optimising the Journey for Older Surgical Patients", will showcase the new paradigm of peri-operative and surgical care of older adults as we collaborate with our anaesthetic and surgical colleagues. Updates and innovations in general geriatric issues are also on feature. We are delighted to have Dr. Jugdeep Dhesi, Clinical lead of the award winning POPS service in Guy's and St. Thomas' Hospital in London and Chair of the British Geriatric Society's Peri-operative Care of Older People Undergoing Surgery Special Interest Group, as our international keynote speaker. Prof. Jacqui Close, Clinical Director of the Falls, Balance, and Injury Research Centre at Neuroscience Research Australia, leading researcher in Falls as well as Peri-operative Medicine, will be our national keynote speaker.

I thank the society's previous partners and exhibitors and invite your generosity once again with the 2018 ASM. We offer novel opportunities for exhibition and partnership and hope you partner with us in promoting the care of older surgical adults.

Sincerely,

**Dr. Patricia Reyes**  
Convenor
