

07:00-17:30	REGISTRATION DESK OPEN – MELBOURNE CONVENTION CENTRE						
08:30-10:30	PLENARY ROOM 1 Chair: Dr Usha Padmanabhan	ROOM 203 Chair: Dr Peter Seal	ROOM 204 Chair: Dr David Elliott	ROOM 210 Chair: Dr Jane Brown	ROOM 211 Chair: A/Prof Reny Segal	ROOMS 205   206   214   215 Small Group Discussions 1   2   3   4	08:30-09:30
	Refresher: Perioperative Medicine Managing the cardiac patient for non-cardiac surgery Dr Phillipa Hore Understanding the ERAS methods Prof. Mike Scott What surgical complications should the anaesthetist know about? Prof. Olle Ljungqvist Prehabilitation - What is it and how do we implement it? Dr Hilmy Ismail	Refresher: Monitoring Non-invasive cardiac monitoring TBA Fluid management and the kidney - benefit or harm? A/Prof. Laurence Weinberg Advances in airway management Dr Keat Lee Neuromuscular block monitoring Dr Paul Stewart	Refresher: Surgery in the Abdomen Advance care planning in the perioperative period - the elephant in the room Dr Karen Detering Deep neuromuscular blockade for laparoscopic surgery Prof. Thomas Ledowski Early active rehabilitation Dr Doa El-Ansary Perioperative pain management for open abdominal surgery A/Prof. Peter Hebbard	Obstetric SIG Obstetric Anaesthesia - the state of play Remifentanyl PCA - where to now? Dr Sanjay Sharma Obstetric Haemorrhage: a haematologist's perspective Dr Helen Savoia Teaching epidurals without the headaches Dr Matt Rucklidge Obstetric SIG AGM	Airway SIG All things airway revisited A/Prof. Reny Segal Airway assessment and decision making Dr Pierre Bradley Cognitive aids and algorithms in airway management Dr Stuart Marshall Use of ultrasound in airway management Dr Nico Terblanche	SGD 1   Room 205: Ophthalmic anaesthesia and sub-Tenon's blocks Dr David Olive SGD 2   Room 206: Newer generation LMA use in a morbidly obese population Dr Adrian Sultana ROOMS 205   206   214   215 Small Group Discussions 5   6   7   8 SGD 5   Room 205: Preoperative physiological optimisation - overcoming the challenges Dr Grant Brace SGD 6   Room 206: Overseas aid - service missions and education Dr David Pescod	SGD 3   Room 214: Major haemorrhage management Dr Kwok Ho SGD 4   Room 215: Decision Making in the Perioperative Management of Pulmonary Hypertension in the Non-Tertiary Centre Dr David Gillespie & Dr John Neal 09:45-10:45 SGD 7   Room 214: Anaesthesia for paediatric tonsillectomy (1) Dr Lindy Cass SGD 8   Room 215: Anaesthetic options for microlaryngoscopy Dr Susan Beath
10:30-11:00	MORNING TEA   Served in Exhibition Hall   Melbourne 1 & 2						
11:00-13:00	PLENARY ROOM 1 Chair: Dr Roberta Deam	ROOM 203 Chair: Prof Alistair Royse	ROOM 204 Chair: Mark Sandford	ROOM 210 Chair: Dr Crispin Wan	ROOM 211 Chair: Dr Chris Bowden	ROOMS 205   206   214   215 Small Group Discussions 9   10   11   12	11:00-12:00
	Refresher: Perioperative Medicine Neuroanaesthesia Update Dr Dean Cowie Paediatric Anaesthesia Refresher Dr Anna Englin Cancer Anaesthesia - Update on the impact of anaesthetic agents A/Prof. Bernhard Riedel Updates in perioperative fluids and analgesia for paediatric surgery Dr Mark Alcock	Refresher: Perioperative Medicine - Fluid and Blood Pro-Con 1: Dry as the desert or wet as the aquatic centre Pro (Dry): Prof. Mike Scott Con (Wet): Prof. David Story Pro-Con 2: Transfusion trigger 7.0 - should we reconsider? No: Prof. Alistair Royse Yes: A/Prof. David A Scott	Refresher: The Chest Your patient has severe pulmonary hypertension Dr John Leyden Anaesthesia for pericardial tamponade Dr Shashi Manikappa Anaesthesia for cardiology procedures Dr Chris Ashley Pain management for thoracic procedures Dr Desmond McGlade	Day Care SIG - Perioperative Medical Surprises in Day Care Anaesthesia Recreational drugs and day surgery patients Dr Sanjiv Sawhney Cardiac problems: preoperative and perioperative surprises Dr Brian Cowie Direct Oral Anticoagulants (DOACS) in Day Care Anaesthesia Dr Ken Sleeman Hornbrook Prize Presentations Day Care SIG AGM	Overseas Development and Education Access to safe anaesthesia and surgery in our region Dr Michael Cooper Planning for Pacific anaesthesia Dr Luke Nasedra (Fiji) ASA Timor Leste Fellow - are you up for the challenge? Dr Sam Rigg Solomon Islands surgery and anaesthesia Dr Bata Anigafutu (Solomon Islands) Advocacy for Surgery and Anaesthesia Prof. David Watters	SGD 9   Room 205: Perioperative diabetes management and insulin pumps Dr Judy Killen SGD 10   Room 206: ECG refresher Dr Brian Ko ROOMS 205   206   214   215 Small Group Discussions 13   14   15   16 SGD 13   Room 205: Neuromuscular blockade management A/Prof. Stephanie Phillips, Dr Paul Stewart SGD 14   Room 206: Return to anaesthesia practice after a period of leave Dr Kara Allen, Dr Janette Wright	SGD 11   Room 214: Communication skills at caesarean section Dr James Griffiths SGD 12   Room 215: Breathing and no tube - a guide to the tubeless technique Dr Andrew Beck 12:15-13:15 SGD 15   Room 214: ROTEM in obstetrics Dr Julie Lee SGD 16   Room 215: Total intravenous anaesthesia Dr Peter Roessler, Dr David Lam
13:00-14:30	LUNCH   Served in the Exhibition Hall   Melbourne 1 & 2					ODEC - 13:00- 14:30	
13:15-14:15		ROOM 203 Lunchtime Educational Session Prof. Stanton Shernan Sponsored by Life HealthCare			Room 211 ODEC Business Meeting	ROOMS 205   206   214   215 13:30-14:30 Small Group Discussions 17   18   19   20	ROOM 218 14:00-16:30 FUSE TTE and Vascular Access Practice
14:45-15:00	PLENARY ROOM 1 Opening Ceremony   Chair: Dr Guy Christie-Taylor, ASA President Welcome: Dr Guy Christie-Taylor, Dr Simon Reilly and Prof. Colin Royse					SGD 17   Room 205: Private hospital medical school teaching A/Prof. Stephanie Phillips	
15:00-16:00	PLENARY ROOM 1 Plenary   Chair: Dr Guy Christie-Taylor, ASA President Kester Brown Lecture   Can the patient lead the perioperative team?   Ms Carolyn Canfield					SGD 18   Room 206: The limits of day surgery and morbid obesity Dr Adrian Sultana SGD 19   Room 214: Anaesthesia and pre-eclampsia Dr Victoria Eley	
16:00-16:45	PLENARY ROOM 1 Plenary   Chair: Dr Guy Christie-Taylor, ASA President Plenary   Clinical US from 3D TOE to bedside echo: How is the world changing?   Prof. Stanton Shernan					SGD 20   Room 215: Interscalene block for shoulder surgery in the beach-chair position - do we need a GA? Dr Hugh Pearce	
18:00-21:00	ASA Social Evening   Australian Centre for the Moving Image (ACMI)						

07:00-17:30 REGISTRATION DESK OPEN – MELBOURNE CONVENTION CENTRE							
08:30-09:30	PLENARY ROOM 1   Chair: A/Prof. David A Scott, ANZCA President					ROOMS 206   214   215 09:45-10:45 Small Group Discussions 21   22   23	ROOM 218 08:30-16:30
	Plenary   ERAS - a metabolic journey   Prof. Olle Ljungqvist					SGD 21   Room 206: Advance care directives in perioperative care Dr Zoe Keon-Cohen	FUSE TTE and Vascular Access Practice
09:30-10:30	PLENARY ROOM 1   Chair: Dr Guy Christie-Taylor, ASA President					SGD 22   Room 214: Anaesthesia and obesity in obstetrics Dr Victoria Eley	Equipment available for self-directed practice
	Plenary   Cognitive recovery after surgery - the elephant in the room   Prof. Stanton Newman					SGD 23   Room 215: Nerve conduction studies and postoperative management of nerve injuries A/Prof. Lynette Kiers	
10:30-11:00	MORNING TEA   Served in the Exhibition Hall   Melbourne Rooms 1 & 2						
11:00-13:00	PLENARY ROOM 1 Chair: Dr Simon Reilly	ROOM 203 Chair: Dr Renald Portelli	ROOM 204 Chair: Dr Alwin Chuan	ROOM 210 Chair: Dr Prani Shrivastava	ROOM 211 Chair: Dr Richard Grutzner	ROOMS 206   11:00-13:00 Small Group Discussions 24	
	Perioperative Medicine	Clinical Ultrasound: Use of Ultrasound before Anaesthesia	Regional Anaesthesia SIG New Evidence in Regional Anaesthesia	Welfare SIG - Gender Literacy: Where are you in the Conversation?	Gilbert Troup Prize Session	SGD 24   Room 206: How to find your mentor Dr Phuong Pham	
	Endovascular Aortic Aneurysm Repair Dr Bryan Lashansky	Clinical ultrasound as part of the preadmission process Prof. John Faris	Regional anaesthesia blocks for clavicular surgery Prof. Krishna Boddu	Gender literacy: what is it and why is it important? Dr Michelle Li, Chelsea Corless, Chalk Circle	Gilbert Troup Prize	ROOMS 214   215 11:30-12:30 Small Group Discussions 25   26	SGD 25   Room 214: Holding back the tears: treatment and prevention of paediatric perioperative anxiety (1) Dr Anna Englin, Dr Valerie Taylor, Dr James Meyer-Grieve
	Cancer Anaesthesia - an update on the impact of perioperative adjuncts Dr Jonathan Hiller	Clinical ultrasound before induction of anaesthesia Dr Sarvesh Natani	Pectoralis blocks for breast surgery Dr Gloria Seah	Where are all the women? Dr Ruth Mitchell		SGD 26   Room 215: General anaesthesia for shoulder surgery in the beach-chair position Dr Steven Dimadis	
Optimal feeding in the perioperative period for different operations Prof. Olle Ljungqvist	Should ultrasound-guided procedures be mandatory? Dr Ajay Kumar	Neuraxial Ultrasound - a needed skill? Dr Adrian Chin	Where are all the men?				
Rationale approach to antibiotic prophylaxis and treatment in the perioperative period Dr Andrew MacCormick	Whole body US for the anaesthetist - what can't we image? Dr Yang Yang	RA SIG AGM	Talking to our trainees and colleagues. Staying enlightened in the age of harassment and bullying Mr Bruce Butler, Moray & Agnew				
13:00-14:30	LUNCH   Served in the Exhibition Hall   Melbourne Rooms 1 & 2					ROOMS 206   214   215 13:15-14:15 Small Group Discussions 27   28   29	
13:15-14:15	Room 207 Lunchtime Educational Session	Room 203 Lunchtime Educational Session	Room 204 Lunchtime Educational Session	ROOM 210 13:30-14:30 Chair: Drs Kellie Brick, Liam Twycross		SGD 27   Room 206: Incident reporting - the human factors Dr John Williamson, Dr Suzy Cook	
	Doctors Mental Health Mr Nick Arvantitis Sponsored by beyondblue	Managing patients' pain from theatre to home. Sponsored by Seqirus	Prof. Mike Scott Sponsored by MSD	(GASACT) Trainee Lunch - Meet the Mighty		SGD 28   Room 214: Holding back the tears: treatment and prevention of paediatric perioperative anxiety (2) Dr Anna Englin, Dr Valerie Taylor, Dr James Meyer-Grieve	
14:30-16:30	PLENARY ROOM 1 Chair: Michelle Horne	ROOM 203 Chair: Prof. Michael Veltman	ROOM 204 Chair: Dr Chong Tan	ROOM 210 Chair: Drs Kellie Brick, Liam Twycross	ROOM 211 Chair: Prof David Story	ROOMS 206   214   215 14:30-15:30	
	Perioperative Medicine	Whole body US after surgery	Acute Pain SIG - Analgesia and Outcomes after Major Abdominal Surgery - More than just Morphine?	(GASACT) Trainee Session	Large Trials in Anaesthesia	Small Group Discussion's 30   31   32	
	Pro-Con Debate: The anaesthetist must become a perioperative physician Pro: A/Prof. David A Scott Con: Dr Ross Kerridge	Shortness of breath - cardiac or lungs? Prof. Michael Veltman	Buprenorphine as the primary opioid analgesic after major abdominal surgery: myths, legends & facts Dr Brad Lawther	Fluids and goal direction: which direction? A/Prof. Laurence Weinberg	Major drug clinical trials in non-cardiac surgery Prof. Kate Leslie	SGD 30   Room 206: Perioperative approach to the patient for noncardiac surgery on antiplatelet therapy Dr Oliver David	
Geriatrician involvement in the perioperative management of elderly patients Prof. Andrea Maier	Bedside detection of DVT and PE Dr Greg Comadira	Continuous TAP and rectus sheath analgesia: do's, don'ts and what works best? A tale of two networks Drs Yen Lim, Bikash Agarwal, Chuan-Wei Lee Debate - The best is still the best! - epidural analgesia is the gold standard vs could good enough in fact be better? Single dose intrathecal morphine with adjunctive analgesia. Dr Tuong Phan, A/Prof. Laurence Weinberg & Dr Chong Tan	Is there a lawyer in the house? Navigating the medico-legal minefield Dr David Daly & Mr Ross Gillies	Major clinical trials in perioperative medicine - and why we need them A/Prof. Philip Peyton	SGD 31   Room 214: Anaesthesia for paediatric tonsillectomy (2) Dr Lindy Cass		
Do short-acting anaesthetic drugs enhance recovery? Prof. Friedrich Pühringer	Febrile patient - what can we find with US? Dr Darsim Haji		Key papers I learnt for the exam and which changed my practice Dr Arvinder Grover	Major clinical trials in cardiovascular surgery TBA	SGD 32   Room 215: Anaesthesia for major maxillofacial and shared airway surgery Dr Richard Grutzner		
16:30-17:30	PLENARY ROOM 1 - Chair Prof. Colin Royse						
	The Great Debate: Who owns the patient? The doctor, the hospital, the insurer or the patient?   Panel: Prof. Olle Ljungqvist,			Ms Carolyn Canfield, Dr Gareth Goodier and Mr Stan Goldstein			
17:30-19:30	Exhibitor Drinks   Exhibition Hall   Melbourne Room 1 & 2						

# PROGRAM – MONDAY 19 SEPTEMBER

07:00-7:30					REGISTRATION DESK OPEN – MELBOURNE CONVENTION CENTRE										
08:30-09:30					PLENARY ROOM 1 Chair: A/Prof. David M Scott, ASA Vice President					ROOM 218 08:30-16:30					
					Geoffrey Kaye Oration   Dr Guy Christie-Taylor					FUSE TTE and Vascular Access Practice					
09:30-10:30					PLENARY ROOM 1 Chair: Prof Colin Royse f					ROOMS 206   214   215 09:45-10:45 Small Group Discussions 33   34   35					
					Plenary   Ultrasound for everyone - why, when and how to get there   Adjunct A/Prof. David Canty					SGD 33   Room 206: Preparing for retirement Dr Jean Allison					
10:30-11:00					MORNING TEA   Served in Trade Exhibition   Melbourne 1 & 2					SGD 34   Room 214: I don't want to go to sleep! Dr Mark Suss					
										SGD 35   Room 215: Integrating evidence into anaesthesia practice Dr John Woodall					
11:00-13:00					PLENARY ROOM 1 Chair: Dr Jenny King		ROOM 203 Chair: Adjunct A/Prof. David Canty		ROOM 204 Chair: Prof Neville Gibbs						
					Perioperative Medicine Quality of Recovery		Clinical Ultrasound - Training in Clinical US - how to get there		AIC Editor's Session		ROOMS 206 11:00-13:00 Small Group Discussions 36				
					The ERAS philosophy to fluid and pain management Prof. Mike Scott		Getting started in clinical ultrasound Prof. Colin Royse		Anaesthesia and Intensive Care Jeanette Thirlwell Best Paper Award Presentation		SGD 36   Room 206: ASA Economics Advisory Committee / Professional Issues Advisory Committee Q&A Dr Mark Sinclair Dr Antonio Grossi Dr Renald Portelli Dr Simon Reilly				
					Assessment of quality of recovery Dr Andrea Bowyer		Becoming advanced in clinical ultrasound Prof. John Faris		Revalidation Dr Guy Christie-Taylor						
					Can we influence brain recovery after surgery? Prof. Stanton Newman		What if I miss something? Dr Kavi Haji		Anaesthetists' participation in clinical research - Call to Arms Prof. Michael Paech						
					Patient-led recovery - described, planned and delivered Ms Carolyn Canfield		Learning how to perform US-guided procedures Adjunct A/Prof. David Canty		Direct observation of procedural skills are they reliable and fair? Dr Sandy Garden						
13:00-14:30					LUNCH   Served in Exhibition Hall   Melbourne 1 & 2					ROOM 211 13:00 - 14:30					
13:15-14:15					ERoom 206 Chair: Dr Richard Grutzner		Room: 203 Lunchtime Educational Session		ROOM 204 Lunchtime Educational Session		RAG Lunch				
					ASA Best Poster Prize Session		Difficult airway management and optimising patient outcomes Prof. Friedrich Pühringer Sponsored by Baxter		Maximising your earnings Anthony Bongiorno Director, Bongiorno & Partners & Bongiorno National Network		ROOM 214   215 13:15-14:15 Small Group Discussions 37   38				
											SGD 37   Room 214: Anaesthetic adaptations for evolving oesophagectomy techniques Dr Doug McEwan				
											SGD 38   Room 215: Developing leaders of high- performing clinical teams Dr John Woodall				
14:30-16:30					PLENARY ROOM 1										
					ASA Research Prize Presentations										
					Australian Society of Anaesthetists Annual General Meeting										
18:30-23:59					ASA Annual Gala Dinner   Melbourne Park Function Centre										

# PROGRAM – TUESDAY 20 SEPTEMBER

07:00-17:30		REGISTRATION DESK OPEN – MELBOURNE CONVENTION CENTRE				ROOM 218	08:30-13:00
08:30-09:30		PLENARY ROOM 1   Chair: Dr Kathryn Hagen				FUSE TTE and Vascular Access Practice	
		Plenary   Implementation of an ERAS program   Prof. Mike Scott					
09:30-10:30		PLENARY ROOM 1   Chair: Dr Kathryn Hagen					
		Plenary   Improving cerebral outcomes in major surgery   TBA					
10:30-11:00		MORNING TEA   Served in Exhibition Hall   Melbourne 1 & 2				ROOM 206	10:45-11:45
						Equipment available for self - directed practice	
11:00-13:00		PLENARY ROOM 1 Chair: Prof. Michael Veltman	ROOM 203 Chair: Dr Andrew Schneider	ROOM 204 Chair: Dr Gregory Deacon	ROOM 207 Chair: Dr Rod Westhorpe	Small Group Discussion 39	
		Perioperative Medicine: Pain Management	Perioperative Medicine	Error Reduction Strategies - how you can improve you practice	History SIG	SGD 39   Room 206: Providing effective feedback to trainees Dr Kara Allen	
		Does regional analgesia improve recovery? A/Prof. David M Scott	What matters to the patient - and how to find out? Ms Carolyn Canfield	The Bowtie diagram - a concept that incorporates casusal analysis and event management Dr Daniel Clarke	Africa and the WFSA Dr Kester Brown	ROOM 206 12:00-13:00	
		What is the evidence of epidural use for open abdominal surgery? A/Prof. Bernhard Reidel	Peri-arrest: Should we all learn lung US? Adjunct A/Prof. David Canty	Are all human errors also system errors? Prof. Neville Gibbs	The Bird Man from Idaho Dr Andrew Ross	Small Group Discussion 40	
		Preventing persistant pain following surgery Dr Malcolm Hogg	Diagnostic approach to peri-arrest Dr Lindsay Bridgeford	What do you do when the unexpected happens? A/Prof. Kersi Taraporewalla	Anaesthesia remuneration Dr Christine Ball	SGD 40   Room 206: Persuasion - a guide to more effective influence Dr Andrew Ottaway	
		How will we manage perioperative pain in 10 years time? Prof. Michael Veltman	Management of arrhythmias Dr Roni Kreiser	Show us trhe evidence! - an analysis of the webAIRS data Dr Martin Culwick	Who invented the Schimmelbusch mask? Dr Rod Westhorpe		
					History SIG ASM		
13:00-14:30		LUNCH   Served in Exhibition Hall   Melbourne 1 & 2					
14:30-16:30		PLENARY ROOM 1 Chair: A/Prof. David M Scott					
		<p><b>Question and Answer Forum - Beyond our Borders</b></p> <p>Please join us for what promises to be a stimulating, challenging and memorable finale to the Congress. A formal Q&amp;A forum will focus on the global refugee crisis, asylum seekers, international welfare, and the Australian Government's immigration and border protection policies. It will be led by a panel of our country's leading experts and eminent social commentators on these issues.</p> <p><b>Family members of delegates are most welcome to attend. It will be an event not to be missed!</b></p>			<p>Panellists:</p> <ul style="list-style-type: none"> <li>Adj Prof Frank Brennan SJ AO - Jesuit Catholic priest, law professor, and social justice and human rights advocate</li> <li>Mr Julian Burnside AO QC - Barrister and human rights and refugee advocate</li> <li>Sen Sarah Hanson-Young - Australian Greens Party Senator for South Australia, and human rights and refugee advocate</li> <li>Mr David Manne - Human rights lawyer and migration agent</li> <li>Prof Louise Newman AM - Infant and developmental psychiatrist, refugee advocate, former Royal Australian and New Zealand College of Psychiatrists President</li> <li>Dr Sally Warhaft - Melbourne broadcaster, anthropologist and writer and the host of the Wheeler Centre's live journalism series, The Fifth Estate</li> </ul>		
16:30		FAREWELL COMMENTS					

# WORKSHOP PROGRAM

Saturday 17 September						
	ROOM 207	ROOM 208	ROOM 209	ROOM 216	ROOM 217	ROOM 218
08:30-10:30		<b>Workshop 1</b> Careflight Can't Intubate, Can't Oxygenate	<b>Workshop 2 (08:30-11:00)</b> FUSE Vascular Access	<b>Workshop 3 (09:00-10:30)</b> Facilitator: Dr Helen Kolawole Anaphylaxis		<b>Workshop 4 (08:30-11:00)</b> Facilitator: Adjunct A/Prof. David Canty FUSE TTE
11:00-13:00	<b>Workshop 5</b> Facilitator: Dr Alwin Chuan Regional anaesthesia - upper limb blocks	<b>Workshop 6</b> Careflight Can't Intubate, Can't Oxygenate		<b>Workshop 7 (11:00-12:30)</b> Facilitator: Dr Helen Kolawole Anaphylaxis	<b>Workshop 8</b> Facilitator: Prof. Stanton Shernan 3D TOE	<b>Workshop 9 (11:15-13:45)</b> Facilitator: Adjunct A/Prof. David Canty FUSE TTE
Sunday 18 September						
	ROOM 207	ROOM 208	ROOM 209	ROOM 216	ROOM 217	ROOM 218
08:30-10:30	<b>Workshop 10</b> Facilitator: Dr Alwin Chuan Regional Anaesthesia - lower limb blocks	<b>Workshop 11</b> Careflight Can't Intubate, Can't Oxygenate			<b>W 28 ALS Workshop</b> ANZCA-Certified ALS Course Facilitators: Dr Candida Marane & Dr Stuart Marshall	
11:00-13:00	<b>Workshop 12</b> Facilitator: Adjunct A/Prof. David Canty Lung Ultrasound	<b>Workshop 13</b> Careflight Can't Intubate, Can't Oxygenate	<b>Workshop 14</b> Facilitators: Dr Martin Culwick A/Prof. Kersi Taraporewalla Using WebAIRS for Incident Reporting and Analysis	<b>Workshop 15</b> Mr Timothy Bowen MIGA Exploring the prognosis of misdiagnosis	<b>W 29 ALS workshop</b> ANZCA-Certified ALS Course Facilitators: Dr Candida Marane & Dr Stuart Marshall
