

NSC 2019

Art Exhibition Exhibitor Form

The ASA is seeking expressions of interest from any artist who would like to display their work at the upcoming National Scientific Congress (NSC) being held in Sydney from 21 – 24 September 2019.

The artwork can be in any medium, i.e. pottery, tapestry, painting (watercolour, oils, acrylics etc.) metalwork, woodwork and so on, however it must be an original artwork and suitable for general public display.

Each accepted artist must be prepared to pay for return shipping and insurance of their work. No compensation will be paid for damaged or lost items while in transit or on display at the Sydney International Convention Centre (ICC) over the duration of Congress.

All items will be considered by the NSC Convenors Art Exhibition Committee.

Note: artwork will need to remain in place for the duration of Congress. If you would like to make your work available for sale, you may display your contact details under your work so you can be contacted directly by any potential buyers.

Due to the diversity of the expected exhibit, there is no official award other than the artist's exposure and recognition at a National event.

If you would like to be considered to exhibit at this event, please complete the questions below and return via email by **Friday 26 July** to: drobertson@asa.org.au
